WORK EXPERIENCE

ADORE ME

Direct-to-consumer women's intimate apparel brand, Certified B Corporation, Victoria's Secret & Co. group

New York City, NY

2023 | Brand & Integrated Marketing Director

- Utilize consumer, cultural, digital, market, and performance data to drive end-to-end marketing initiatives, collaborating cross-functionally to position brands effectively, develop creative content strategies, execute go-to-market plans, implement full-funnel strategies, and measure performance against key indicators.
- In charge of brand partnerships. Led the launch of 6 capsule collections in collaboration with brands and celebrities, resulting in a significant boost in brand awareness and increased customer engagement. Notably, orchestrated the successful launch of the "Let's Go Party" collection coinciding with the premiere of the Barbie movie.
- Directly manage a team of four, overseeing social media, consumer insights, influencer marketing, and event activations, ensuring alignment and effectiveness in achieving strategic goals.
- Partner with Product Creation teams, Merchandising, and Creative Director to translate assortment objectives into compelling seasonal collections and narratives, leveraging customer insights, social listening, and trends in fashion, beauty, and culture.
- Lead monthly consumer studies (~4 per month), covering various business aspects such as persona understanding, product launch potential, creative asset evaluation, future brand collaborations, and consumer expectations for product innovations.
- Owned and led the organization of Adore Me's 2022 and 2023 New York Fashion Week show events, successfully livestreaming on Adore Me's website and garnering substantial engagement.

2020 - 2022 | Integrated Marketing & Social Media Manager and Senior Manager

- Successfully led the ideation, conceptualization, and full-funnel implementation of Adore Me's Holiday and Valentine's Day campaigns, resulting in a 30% increase in aided brand awareness. Utilized strategic advertising channels, including Out-of-Home (OOH) and Digital Out-of-Home (DOOH) in major cities, generating over 50 million impressions, alongside guerrilla marketing, subway advertising, social media and influencer marketing.
- Achieved significant social media growth by doubling Adore Me's Instagram followers from 400k to 800k. Pioneered the brand's TikTok strategy, growing the account to 500k followers in just 3 years.
- Led the development and expansion of Adore Me's in-house content creators platform. Collaborated with IT and product teams to develop a recruiting strategy, engagement tactics, an affiliate program, and events, contributing to the network's growth to over 3,000 content creators.
- Designed and implemented new processes in Social Media, Influencer Marketing, and Content Creation, impacting over 20 collaborators across five different teams.
- Led bi-monthly brainstorming sessions to develop robust content plans supporting marketing strategies across all customer touchpoints and channels. Designed comprehensive seasonal shoot requests and briefs on collaboration with merchandising and photo production teams, producing engaging content for specific collections and narratives.

2017 - 2020 | CRM Associate and CRM Coordinator

- Over 4 years of strategic and hands-on experience in CRM, developing lifecycle programs, segmentation, automation strategies, messaging, conversion optimization, onboarding programs, and churn tactics.
- Ensured successful execution and consistency of CRM campaigns across key retention channels, including Email, SMS, Push Notifications, App Messages, and Website, managing projects across seven teams.
- Defined offer and promotion strategy planning based on revenue goals and target margins. Worked closely with the purchasing team to plan and source gifts for Adore Me's VIP program.
- Analyzed and reported on campaign performance, identifying nuances in data to optimize customer engagement.

NEXTUSER

B2B CRM personalization and artificial intelligence solution

San Francisco, CA

2016 | Marketing Analyst

- Consulted and assessed web products for clients and prospective clients, conducting in-depth analysis of web features and KPIs. Performed technical analysis using Google Analytics and developed solutions for user data collection and customer profiling with IBM Watson's Artificial Intelligence solution.

ZAPA

Direct-to-consumer women's apparel brand

Paris, France

2015 | Digital Marketing Coordinator

- In charge of CRM and Web Merchandising. Initiated the development of a visual and editorial charter for all digital communications. Coordinated e-commerce photoshoots in collaboration with stylists. Generated monthly performance reports for newsletters.
